SEALED BIDS, on forms supplied by the Contract Administrator, will be received at the Offices of the Municipality of Morris-Turnberry until:

11:00:00 a.m., local time Friday, November 2, 2018

The proposed Municipal Drain is located between Lots 13 and 17, Concessions 8 and 9 in the geographic Township of Morris, Municipality of Morris-Turnberry, County of Huron.

The Work includes:

- Approximately 1,299 m of channel deepening and reshaping; approximately 680 m of sediment removal and reshaping; and 117 m of spot deepening. Also including the construction of rock grade control structures and sediment basins, and hydroseeding.
- New twin 1,670 mm X 1,300 mm diameter smoothwall galvanized steel arched pipe culverts for landowner crossing.
- Investigation and construction of six (6) concrete struts in the existing box culvert crossing within the Moncrief Road right-of-way.
- Installation, maintenance and removal of any temporary sediment control measures.
- Spreading/hauling and leveling of excavated material; and seeding all disturbed areas and restoration and rehabilitation of the entire site.

A digital copy of the Bid Documents may be obtained, free of charge, from the Contract Administrator by contacting Lori Speiran (lori.speiran@rjburnside.com) at noon on October 16th, 2018.

A certified cheque in the amount of $17,500.00 will be required as a tender deposit with tender submission. In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
