

2016 Annual Accessibility Plan

**Sandra Thompson,
Wheeling and Able**

EXECUTIVE SUMMARY

The Huron County Accessibility Advisory Committee is an established community resource that creates, develops and implements the objectives of Huron County be it mandated by legislation or inspired by local community groups and people from across Huron County sharing the vision of Huron County's Accessibility Advisory Committee.

It is the responsibility of the Huron County Accessibility committee to advise Huron County Council about the requirements and implementation of accessibility standards.

Since inception, the Huron County Accessibility Committee has been promoting and developing a barrier-free Municipality for citizens of all abilities including persons with disabilities. Through local media, public events, award ceremonies and speaking engagements the Committee continues to educate and advise on accessibility issues while broadening awareness within Huron County and its lower tier municipalities.

As the provincial legislation and regulations mature, the Huron County Accessibility Advisory Committee will continue its efforts in promoting awareness, while implementing educational and training guidelines, policies and standards defined by The Ontarians with Disabilities Act.

ONGOING GOALS

Huron County continues bettering its communities for all abilities including those with disabilities.

The Huron County Accessibility Advisory Committee (HCAAC) believes in taking action. That action today will improve tomorrow and strengthen our communities for all. By improving the quality of life for people with disabilities today we ensure access for those who face disabilities tomorrow.

The HCAAC is determined to provide Huron County businesses with the knowledge and information needed to create barrier free communities and economies.

BACKGROUND

One in seven people in Ontario has a disability. Over the next 20 years, that number will rise as the population ages. Creating municipalities where every person who lives or visits can participate fully makes good sense — for our people, our businesses and our communities.

Although our governments have dedicated tremendous resources towards the vision of a barrier free Ontario, the reality is that persons with disabilities still face barriers which prevent them from participating in all aspects of society. As a community we must learn to see barriers as our fellow citizens with disabilities live with them.

The Accessibility for Ontarians with Disabilities Act, 2005 calls on the business community, public sector, not-for-profit sector and people with disabilities or their representatives to develop, implement and enforce mandatory accessibility standards. Accessibility standards are the rules that businesses and organizations in Ontario will have to follow to prevent or remove barriers to accessibility for all citizens.

MESSAGE FROM THE HURON COUNTY ACCESSIBILITY ADVISORY COMMITTEE'S CHAIR:

AWARENESS & ENGAGEMENT

One of Huron County Accessibility Advisory Committee's (HCAAC's) greatest strengths lies in our Committee Members, who pursue so passionately a vision of informing, educating and inspiring residents from across Huron County on making Huron County accessible for people of all abilities and ages, eventually leading to a fully inclusive society for all.

The HCAAC has continued to invest a lot of time and effort into the development of accessibility training to employees/staff of all kinds through continuous learnings on training requirements defined in the Integrated Accessibility Regulation. These learning opportunities were customized into six modules:

- Customer Service,
- General Requirements,
- Human Rights,
- Employment,
- Information & Communication, and
- Design of Public Spaces.

What training each staff is required to take is based on the job responsibilities, ex) if you are a Facilities staff you are required to take the minimum training which includes Human Rights, General Requirements and Customer Service. If you have a Management position you are required to complete all training modules.

In 2015 the HCAAC expanded training amongst Huron County Businesses. It is a goal of the HCAAC to continue to provide businesses' with training opportunities and provide training material to increase their awareness and knowledge of the Government Legislation in 2016. It is our hope to also increase engagement between HCAAC and local businesses.

GOVERNANCE:

At 2014 year-end, County Council approved the revised HCAAC Terms of Reference.

We successfully ushered in a newly elected Committee with a nice blend of energized individuals mixed with a couple experienced Committee members that have brought their past knowledge and experience to the Committee. I would like to take this opportunity to thank those past members that contributed years of volunteering and their passion for creating an inclusive society.

Thank you.

Dave Frayne
Committee Chair

COUNTY COUNCIL (2016)

Huron County is governed by County Council, which is made up of fifteen (15) members from area municipalities. Each municipality located within Huron County, is represented at County Council by their representatives - Mayors or Reeves, Deputy Mayors or Deputy Reeves.

At their Inaugural Session in December (every 2 years), County Council elects a Warden from among the Councilors. The Warden is the executive officer of the Corporation and the head of County Council. The Warden chairs County Council meetings, sits as an ex-officio member on all Standing Committees, and represents the County at a wide range of functions and activities.

HURON COUNTY ACCESSIBILITY ADVISORY COMMITTEE (HCAAC)

The Huron County Accessibility Advisory Committee is made up of 9 voting members including 5 persons with a disability as defined in the Ontarians with Disabilities Act (ODA): 1 person from professional discipline; 1 citizen representative; 1 elected official; Warden as ex-officio. The HCAAC is supported by 6 non-voting members including the chair of the ODA Working Group, 1 person from County Planning Department, 1 Municipal Building Official; Huron County CAO; the Accessibility Coordinator and the County Clerk.

Voting Members: Debbie Braun, David Burnfield, Crystal Groom, Barbara Hicks, Laurie Jacques, Charlene O'Reilly, Shawn Thomson, Paul Gowing-Warden, Dave Frayne – Chair

Non-Voting Members: Claire Dodds, Susan Cronin, Paul Gosling, Janice Hallahan, Brenda Orchard, Sandra Thompson

MESSAGE FROM ACCESSIBILITY COORDINATOR

Dear Friends:

I am proud and honored to present to you our 2016 Annual Plan on behalf of the Huron County Accessibility Advisory Committee. Over the years I have witnessed a lot of change in society and a multitude of emerging opportunities to reduce existing barriers that prevent the disabled population from enjoying full inclusion. The HCAAC has created a vision to make Huron County accessible for people of all abilities. They articulate their vision, passionately own their vision, and are working to drive it to completion.

The HCAAC has stayed focused on achieving full compliance to the Government's legislation as deadlines approach. Successfully achieving compliance resulted in us becoming a truly engaged community partner, and continues to strengthen us as we continue on this journey of inclusion, independence, compliance and choice.

Other areas of focus are collaborating with and providing training opportunities and materials to businesses in Huron County and developing some social media avenues. HCAAC will continue to modernize our service delivery methods with investments in technology and social media tools as resources allow.

We are very proud of our successful expansion of our annual National Access Awareness Week Event and Awards Program. The guest speaker was Luca "LazyLegz" Patuelli. There were three performances held on June 2, 2015 at the Maitland River Elementary School and F.E. Madill Secondary School in Wingham Ontario. The performances were broken down by age to ensure the different attention spans were accommodated. The first performance was for Grades PK – Grade 2, the second for Grades 3 – 6 and the third performance at F.E. Madill for all high school students from Grades 7-12. Approximately 1290 students participated in the performances. This is our largest audience by far and the most engaged audience. Luca's message of No Excuses – No Limits was heard and retained by our youth. This event also received the most media attention we have ever had: London City TV, Wingham Advanced Times, Lucknow Sentinel, Citizen, The Focus, On-Air CKNX Interview. Our Awards portion of the event doubled in size.

We benefit from the wise members of our Committee, the strong support of our County Council and Management, the dedication of Huron County staff, and the talents and

commitment of our volunteers. We thank them all. Together, we see the promise of a more inclusive society and together we will continue to deliver on our vision.

Thank you and I hope you enjoy reading our report.

Sandra Thompson
Accessibility Coordinator

OUR VISION

The Huron County Accessibility Advisory Committee will inform and inspire people from across Huron County on making Huron County accessible for people of all abilities and ages. Age-Friendly Community Planning and the removal of barriers for persons with disabilities go hand-in-hand.

OUR MISSION

The Huron County Accessibility Advisory Committee will assist Huron County Council and participating municipalities to fulfill the purpose of the Ontarians with Disabilities Act and Accessibility for Ontarians with Disabilities Act by providing vision and advice to council in regards to the removal of barriers by 2025.

OUR MANDATE

The authority to establish the Huron County Accessibility Advisory Committee (HCAAC) originated from the provisions of the Ontarians with Disabilities Act (ODA) and will continue to exist under the provisions of the Accessibility for Ontarians with disabilities Act.

The HCAAC is the advisory committee to Huron County Council and participating municipalities fulfilling the purpose of the ODA and the Accessibility for Ontarians with Disabilities Act (AODA).

Nearly Completed Barrier Free Entry to Wingham Hospital

Proudly designed with disabilities in mind.

GOALS & OBJECTIVES OF THE HCAAC

The objective of the Huron County Accessibility Advisory Committee are revised and updated annually in November and are used as a resource that outlines the role and responsibilities of the HCAAC and also provides a monitoring tool to ensure all tasks are completed and not forgotten. (See Appendix 1) This document is divided into two sections:

- Objectives mandated by legislation under the requirements of the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and the Integrated Accessibility Standard (IASR)
- Objectives driven by communities to accomplish the committee's vision of informing and inspiring people from across Huron County on making Huron County accessible for people of all abilities.

LAST YEAR'S GOALS:

- Under the requirements of the Ontarians with Disability Act 2001, the HCAAC continued to create and post a Multi-Year Accessibility Plan and an Annual Accessibility Plan that contains the goals of Huron County and last year's successes.
- Under the requirements of both the ODA and the AODA, the HCAAC continued to review, in a timely manner and advise municipalities, local businesses and County Council on the accessibility of building plans and drawings for renovation and new construction, and the purchase or lease of public buildings as well as review exterior site plans as requested.
- The HCAAC received approval from County Council to use the document -Illustrated Technical Guide to the Accessibility Standard for the Design of Public Spaces developed by the Global Alliance on Accessible Technologies and Environments (GAATES) and supported by the Ontario Government as the main staff resource. This document was very well done and incorporates both site plan and design of public spaces requirements.
- Provided advice to County Council and participating municipalities with respect to government directives and regulations relating to the status of persons with disabilities including regulations for the Accessibility for Ontarians with Disabilities Act, 2005 and more specifically the Integrated Accessibility Standard Regulation. The HCAAC will continue to provide advice and direction to Huron County Council on obtaining full compliance within timelines set out in the Regulation.
- The Committee continued to enhance relationships with County Council, local municipalities, businesses, the Huron Perth Catholic District School Board and the Avon Maitland District School Board.
- Continued to incorporate and enhance an annual awards program in conjunction with National Access Awareness Week to celebrate organizations and individuals who are working to build a more inclusive society. The award is to promote

public awareness of the importance of barrier-free design and to recognize excellence in accessibility design.

- To increase awareness and create a stronger presence in the community, the Committee continued to host the National Access Awareness Week Celebration with this year's goal bringing more than one school together for the event.
- The Committee will keep Huron County Building Officials updated on "new" legislation with regards to the built environment, public spaces and site plans.

2015 ACHIEVEMENTS

The Huron County Accessibility Advisory Committee has worked diligently to achieve the goals defined within the approved plan. Recognized achievements include:

- **Accessibility Plans:** The County of Huron has created an Annual Accessibility Plan under the Ontarians with Disabilities Act 2001 and a Multi-Year Accessibility Plan update under the Accessibility for Ontarians with Disabilities Act 2005, with annual updates on successes. The County of Huron has completed both requirements with the documents approved by County Council at the December 2015 County Council meeting.
- **Site Plan Reviews:** The Huron County Accessibility Advisory Committee has been actively engaged with county staff as well as private businesses and organizations in conducting Site Plan Reviews in a timely fashion. The committee believes public awareness will continue to stimulate community participation and the sub-committee's time and commitment.
- **Government Directives and Regulations:** The Accessibility Advisory Committee has provided updates and advice about new government directives and regulations to County Council and the Working Group. The Working Group is made up of one volunteer/staff member from each lower tier. Each member of the group reports back to and shares newly developed resources and material approved by County Council to their Mayor/Councillors.
- **Continued Relations with County Council, Lower Tiers and Businesses:** The Committee has reached out to the community. Aside from regular Council updates shared by County council representatives with their respective municipalities the committee has contacted lower tiers and private business to participate in committee organized awareness events and various speaking engagements with a noticeable increase in Councillor participation in community events.

- **Annual Awards Program.** The Annual Awards Program has been expanded and well received. The awards program was created to promote public awareness of the importance of barrier-free design, and to recognize excellence in accessibility design. Four awards were presented in 2015 (which is double the awards awarded in 2014) in conjunction with National Access Awareness Week to the owner(s) of a building or facility that has been designed or renovated with special regard to accessibility for persons with a disability. Two awards will be presented to private businesses and two to public sector organizations.
- **National Awareness Week:** The HCAAC has successfully hosted its fifth National Awareness Week event in co-operation with the Avon Maitland School Board. Attendance as well as media attention continues to build awareness in our community.
- **Approval of New Resources:** The HCAAC & Huron County Council have approved the “Illustrated Technical Guide to the Accessibility Standard for the Design of Public Spaces” as the official document for Building Officials to ensure that Huron County is in compliance with the standard. The HCAAC provided each lower tier with two printed hard copies of the document (one for each Building Official and one to be kept in the office for residence to use), one copy for each of the Site Plan Review Subcommittee and 2 copies for Huron County residence to use. This additional resource can be found online at: <http://www.gaates.org/DOPS/default.php>
- Huron County’s Planning Department consulted with the HCAAC, County Council, appropriate County Staff and public businesses on Design Elements we are required to be in compliance with and when. (See Appendix 2)
- Huron County’s Planning Department received County Council approval on the revised document entitled “[Universal Design and Accessibility Guideline for Site Plan Control, 2015 Edition](#)”. In the interest of assisting municipalities in Huron County, the HCAAC committee has prepared this document, outlining standards for accessibility that can be adopted by municipal councils and implemented locally through the site plan control approval process. The HCAAC committee firmly believes that it is important to implement the same standards of accessibility throughout the province and region; as such, the 2008 guideline has been updated to be consistent with the Design of Public Spaces Standard, a standard under the Accessibility for Ontarians with Disabilities Act, 2005.
- A new HCAAC was elected implementing the newly revised Terms of Reference.
- All new County staff received all required training within an appropriate time frame.

- The HCAAC was represented at Huron County's Brochure Swap by two disabled young men who are local resident. The event proved to be successful as we received thirteen requests for business training on the regulations. This will be completed in early 2016.

2016 GOALS

- Under the requirements of the Ontarians with Disability Act 2001 (ODA) and the Accessibility for Ontarians With Disabilities Act 2005 (AODA), the HCAAC will continue to create and post a Multi-Year Accessibility Plan and an Annual Accessibility Plan that contains the goals of Huron County and last year's successes.
- Under the requirements of both the ODA and the AODA, the HCAAC will continue to review in a timely manner and advise municipalities and local businesses on the accessibility of building plans and drawings for renovation and new construction, and the purchase or lease of public buildings as well as review exterior site plans as requested.
- The Committee will continue to enhance relationships with County Council, local municipalities, businesses, the Huron Perth Catholic District School Board and the Avon Maitland District School Board.
- Continue to incorporate and enhance an annual awards program in conjunction with National Access Awareness Week to celebrate organizations and individuals who are working to build a more inclusive society. The award is to promote public awareness of the importance of barrier-free design and to recognize excellence in accessibility design.
- To increase awareness and create a stronger presence in the community, the Committee will continue to host a National Access Awareness Week Celebration with this year's goal bringing more than one school together for the event.
- The Committee will keep Huron County Building Officials updated on all new legislation with regards to the built environment, public spaces and site plans.
- Develop new programs to engage local businesses in developing barrier free communities. Example, One Step, a program to encourage businesses to get involved in developing barrier free communities while getting recognized in the community for their efforts and participation.
- The HCAAC will work with the County's IT Specialist by providing recommendations on making the Accessibility portion of the County's website much more user friendly.

- Develop a training package for Huron Businesses to fulfill their training request received at the Brochure Swap for an Accessibility Workshop on AODA Compliance Requirements.
- Develop a training package for Huron Business to fulfill their training request received at the Brochure Swap.
- Actively participate in the International Ploughing Match being held in Huron County in 2017 and events leading up to this event.

BARRIER FREE COMMUNITIES BETTER BUSINESSES AND BOTTOM LINES

People with disabilities regularly face barriers that prevent them from working, shopping, travelling and simply living in their communities. The Accessibility for Ontarians with Disabilities Act, 2005 was passed leading to the creation of five standards in accessibility in the areas of Customer Service, Information and Communication, Employment, Transportation and the Built Environment. Recognizing the leadership role of our government by passing the act in 2005 its local communities and private businesses that are now tapping into new customers while harnessing a larger, more diverse work force.

RETURN ON INVESTMENT

What is the return on investment or benefits to employers for hiring people with disabilities? The following are some of the benefits as reported by employers.

HIRING PEOPLE WITH DISABILITIES

- Contributes to a better rate of attendance, punctuality, employee morale, teamwork and safety in the workplace.
- Often leads to a reduction in staff turnover; people with disabilities have proven to be skilled and loyal employees.
- Shows that the company values diversity and is a tangible example of good corporate citizenship.
- Increases the purchasing power for individuals with a disability and their families.
- Reflects the demographics of your community, and enhances the community's understanding of people with disabilities.
- May free up resources to complete other tasks and increase productivity.

- Allows the person with a disability to be a role model to the staff and community and others with a disability.
- May include free corporate marketing when your new employee talks about where they work.
- May require accommodations for your new employee, but the change may make your company more robust, innovative and adaptive.

QUICK FACTS:

- Improved accessibility in Ontario can help generate up to \$9.6 Billion in new retail spending and 1.6 billion in new tourism spending.
- Currently, Canadians with disabilities influence the spending decisions of 12-15 million other consumers.
- In the next 20 years, an aging population and people with disabilities will represent 40% of total income in Ontario-that being \$536 Billion
- 1 in 7 people in Ontario have a disability. That's 1.85 million Ontarians.
- By 2036, as our population ages, 1 in 5 people in Ontario will have a disability.
