WHEREAS the Municipal Act, 2001 (Ontario), as amended, (the “Act”) provides that a municipal power shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS it is now deemed to be expedient to authorize for the municipal purposes of the Municipality the new capital works described in column (2) of Schedule “A” (individually a “Project”, collectively the “Projects”) attached hereto and forming part of this By-law (“Schedule “A”) in the amount of the estimated expenditure set out in column (3) of Schedule “A”, subject in each case to approval by OILC of the financing for such Projects that will be requested by the Municipality in the Application as hereinafter described;

AND WHEREAS in accordance with section 4 of Ontario Regulation 403/02, the Council of the Municipality has had its Treasurer update its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing (as so updated, the “Updated Limit”), and, on the basis of the authorized expenditure for each Project as set out in column (3) of Schedule “A” (“Authorized Expenditure”), the Treasurer has calculated the estimated annual amount payable in respect of each Project (collectively the “Project Limits”) and has determined that the aggregate of the Project Limits does not exceed the Updated Limit, and accordingly the approval of the Ontario Municipal Board under the Ontario Municipal Board Act (Ontario), as amended, is not required before any such Project is authorized by Council;

AND WHEREAS subsection 405(1) of the Act provides that a municipality may authorize temporary borrowing to meet expenditures made in connection with a work to be financed in whole or in part by the issue of debentures if,

(a) the municipality is an upper-tier municipality, a lower-tier municipality in a county or a single-tier municipality and it has approved the issue of debentures for the work;
(b) the municipality is a lower-tier municipality in a regional municipality and it has approved the work and the upper-tier municipality has approved the issue of debentures for the work; or

(c) the municipality has approved the issue of debentures for another municipality or a school board under section 404;

AND WHEREAS subsection 401(1) of the Act provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

AND WHEREAS the Act also provides that a municipality shall authorize long term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act;

AND WHEREAS OILC has invited Ontario municipalities desirous of obtaining temporary and long term debt financing in order to meet capital expenditures incurred after December 31, 2003 in connection with eligible capital projects to make application to OILC for such financing by completing and submitting an application on the form provided by OILC (the “Application”);

AND WHEREAS the Municipality has submitted an Application to OILC to request financing for the Projects by way of long term borrowing through the issue of debentures to OILC and by way of temporary borrowing from OILC pending the issue of such debentures;

AND WHEREAS OILC has accepted and has approved the municipality’s application;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE MUNICIPALITY OF MORRIS-TURNBERRY, ENACTS AS FOLLOWS:

5. Subject to the terms and conditions of the Financing Agreement and such other terms and conditions as OILC may otherwise require, the Mayor and the Treasurer are hereby authorized to enter into long term borrowing in respect of the Projects and to issue debentures to OILC on the terms and conditions provided in the Financing Agreement and on such other terms and conditions as such authorized officials may agree (“Debentures”); provided that the principal amount of such Debentures issued in respect of a Project does not exceed the Authorized Expenditure for such Project and does not exceed the loan amount set out in column (4) of Schedule “A” in respect of such Project.
