Future looks bright for Morris-Turnberry

In our recent Business Retention & Expansion Study, a number of participating businesses reported the future looks bright in terms of employment opportunities in the Municipality of Morris-Turnberry.

Our research also shows of the 14 businesses that plan on expanding:

➤ Seventy-nine per cent will require an increased workforce.
➤ Seventy-one per cent will increase their product levels.
➤ Ninety-three per cent will require an investment in equipment or technology.
