PUBLIC NOTICE

The Township of North Huron and the Municipality of Morris-Turnberry Public Works departments are responsible for road operations and maintenance repairs in accordance with Township and Municipality policies to the minimum maintenance standards set by the province. Staff routinely address concerns regarding potholes, streetlights, tree maintenance, gravel shoulders and erosion repairs, drainage ditches, storm sewers, catch basins, gravel road grading, sidewalks and winter control for routine maintenance activities.

The Building Departments main objective is to provide the best professional service to administer and enforce the Ontario Building Code within the Township of North Huron and Municipality of Morris-Turnberry. Through the examination of plans, issuance of building permits, and performing inspections, we ensure compliance with building standards of the Ontario Building Code and ensure health and safety, fire protection and structural sufficiency in buildings in which we live, work, and play. We are here to offer zoning inquiries, building code information, technical advice and to be of assistance during the entire construction process.
